16. In consideration of the benefits to be derived from the proper management of damage caused by those species listed in Section 3 Item 14. (and Item 15., if applicable), I, the undersigned cooperator or cooperator's representative, do hereby give my consent and concurrence to the Animal and Plant Health Inspection Service (APHIS) (to include its officials, employees, and agents) to use, upon lands owned, leased, or otherwise controlled by me, and identified by this Work Initiation Document, the following methods and devices:				
COMPONENTS: 1. Night Vision / Infrared				
4. _____				
5. _____				
6. _____				
17. I, the cooperator or cooperator's representative, have been informed of the methods and the manner in which the control materials and devices listed in Section 4 will be used, and of the possible hazards associated with their use. I understand that APHIS, (to include its officers, employees and agents) will: exercise reasonable precautions to safeguard all persons to prevent injury to animal life other than those listed in Section 3, Item 14. (and Item 15., if applicable); guard against the mishandling of control devices and materials; and exercise due caution and proper judgment in all wildlife damage management operations. I understand that APHIS, WS, will maintain restricted use pesticide application records on applications made under the Work Initiation Document, and that APHIS, WS, will provide copies of the records or record information promptly upon the property owner's or cooperator's request. I understand that APHIS may collect Global Positioning System (GPS) coordinates at the project site as part of component or activity tracking or as wildlife disease monitoring or research data.				
18. In consideration of these understandings and of the benefits to be derived, I, the cooperator or cooperator's representative, agree to: take reasonable precautions to prevent injury to livestock and other domestic animals; assume responsibility for injury to my property under my control, when said injury is not the result of negligence on the part of APHIS; assist in maintaining such warning signs as APHIS may place for the purpose of notifying persons entering onto such lands of the possible hazards associated with wildlife damage management measures in use thereon; and to give adequate warning of these possible hazards to persons I authorize to enter onto such lands. Further, in recognition of the benefits to be derived from the use of specified methods and devices authorized by this Work Initiation Document, I, the cooperator or cooperator's representative, agree not to concurrently use or allow to be used upon lands covered by this Work Initiation Document, any toxic material that might reasonably be expected to take a species listed above in Section 3, Item 14. (and Item 15., if applicable) unless such use of said toxicant is agreed to by APHIS in writing.
